

Logistics resources for EMEG

Some general resources available on logistics, that can be used with young people or adults.

Young people, schools, parents

Short film, LLEP area and activity:

<https://llep.org.uk/skills/information-resources-for-education-professionals/key-sectors/>

East Midlands Airport, freight, general

<https://www.eastmidlandsairport.com/community/supporting-the-local-community/inspiring-young-people-our-education-centre/aerozone-resources/>

East-Midlands-Airport-Activity.docx

Labour market guide, World of Work Leicestershire:

<https://llep.org.uk/skills/information-resources-for-education-professionals/>

(page 18)

North West Leicestershire snapshot

<https://llep.org.uk/skills/information-resources-for-education-professionals/district-snapshots/>

Logistics Game (costs £42), up to 9 'players'

Not localised, but a fun resource:

<https://www.businessonthemove.org/about-us/#about-the-game>

Multiple free resources that a school or adviser who supports older people could use for ages 10 upwards, mapping supply chain, branding, maths and logistics, route planning etc:
