Dissolved and Businesses in Liquidation

The figure below demonstrates the number of businesses that have been dissolved or are in liquidation for the years 2011 to 2021. The figure can be split into three areas. The first are the years following the financial crisis that led up to the UK's decision to leave the European Union (EU) (2011 to 2015). The second are those that led to the withdrawal of the UK from the EU (2016 to 2020). The last, 2021, is the first year that the UK has sat outside the EU. This is the year that the economy has opened up after its partial closure due to the Covid 19 pandemic. Both 2020 and 2021 saw the introduction, continuation and withdrawal of measures by the government to help businesses deal with the impact of the global pandemic.
