In 2021 there were 9,529 businesses that were incorporated. Of these 861 (9%) were in Harborough district. In 2019 the share was 10.1%.

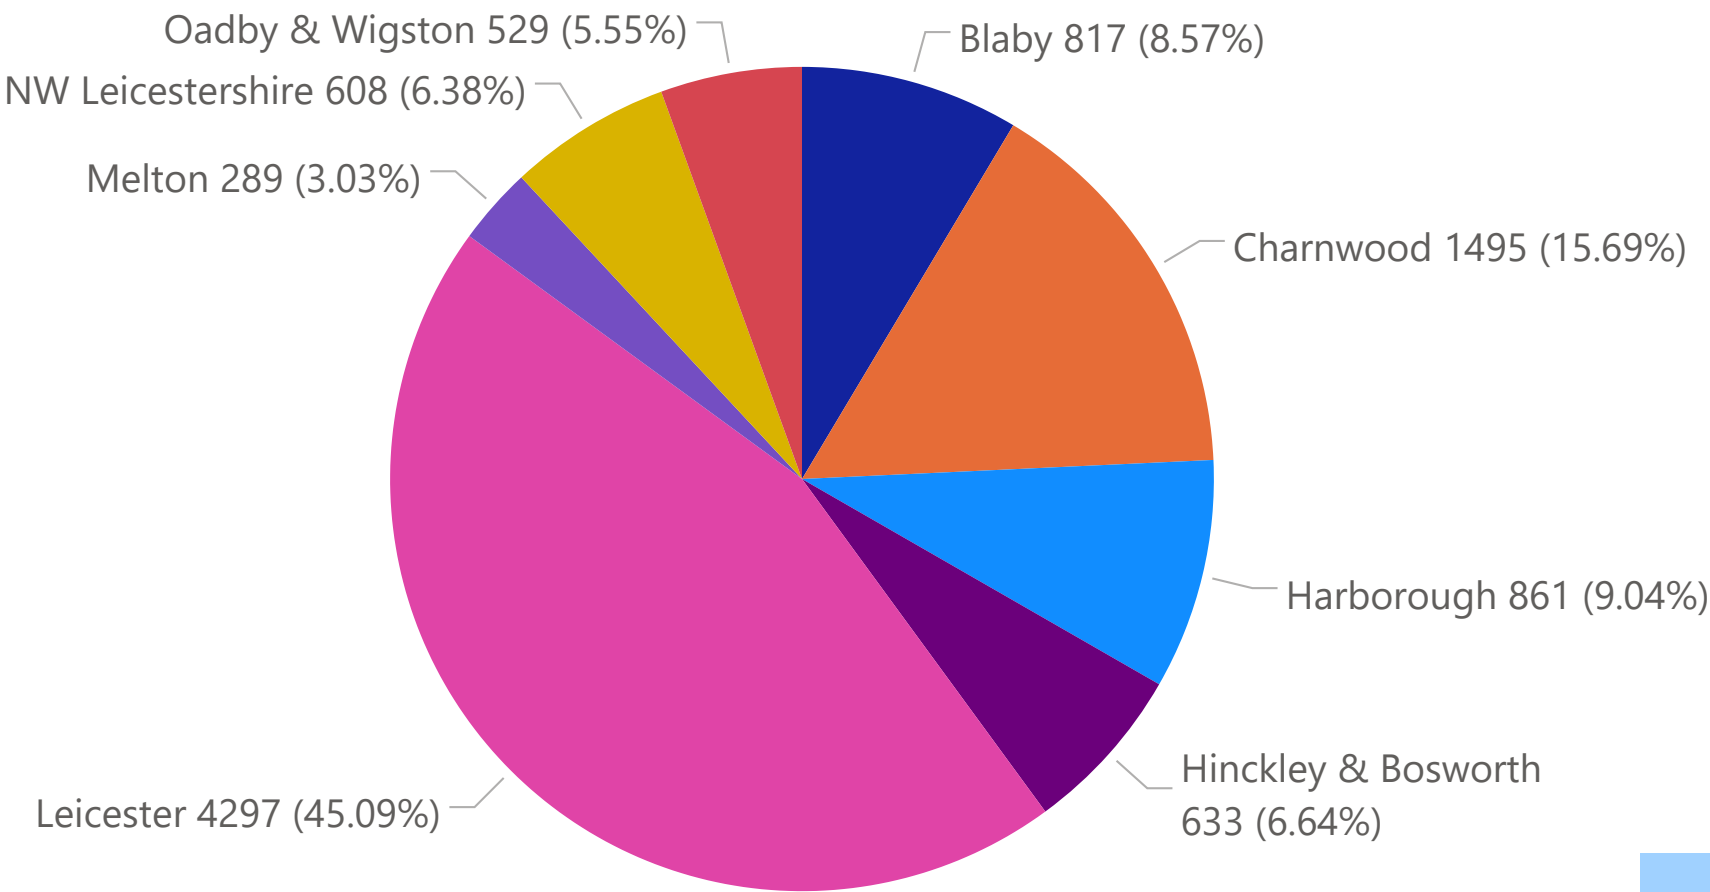

# Incorporations - Timeseries

The figure below demonstrates the number of businesses that have been incorporated for the years 2011 to 2021. The figure can be split into three areas. The first are the years following the financial crisis that led up to the UKs decision to leave the European Union (EU) (2011 to 2015). The second are those that led to the withdrawal of the UK from the EU (2016 to 2020). The last, 2021, is the first year that the UK has sat outside the EU. This is the year that the economy has opened up after it's partial closure due to the Covid 19 pandemic. Both 2020 and 2021 saw the introduction, continuation and withdrawal of measures by the government to help businesses deal with the impact of the global pandemic.

The number of incorporations has fallen from 1,110 businesses in 2019 to 861 in 2021.

# Incorporations - Share

Total

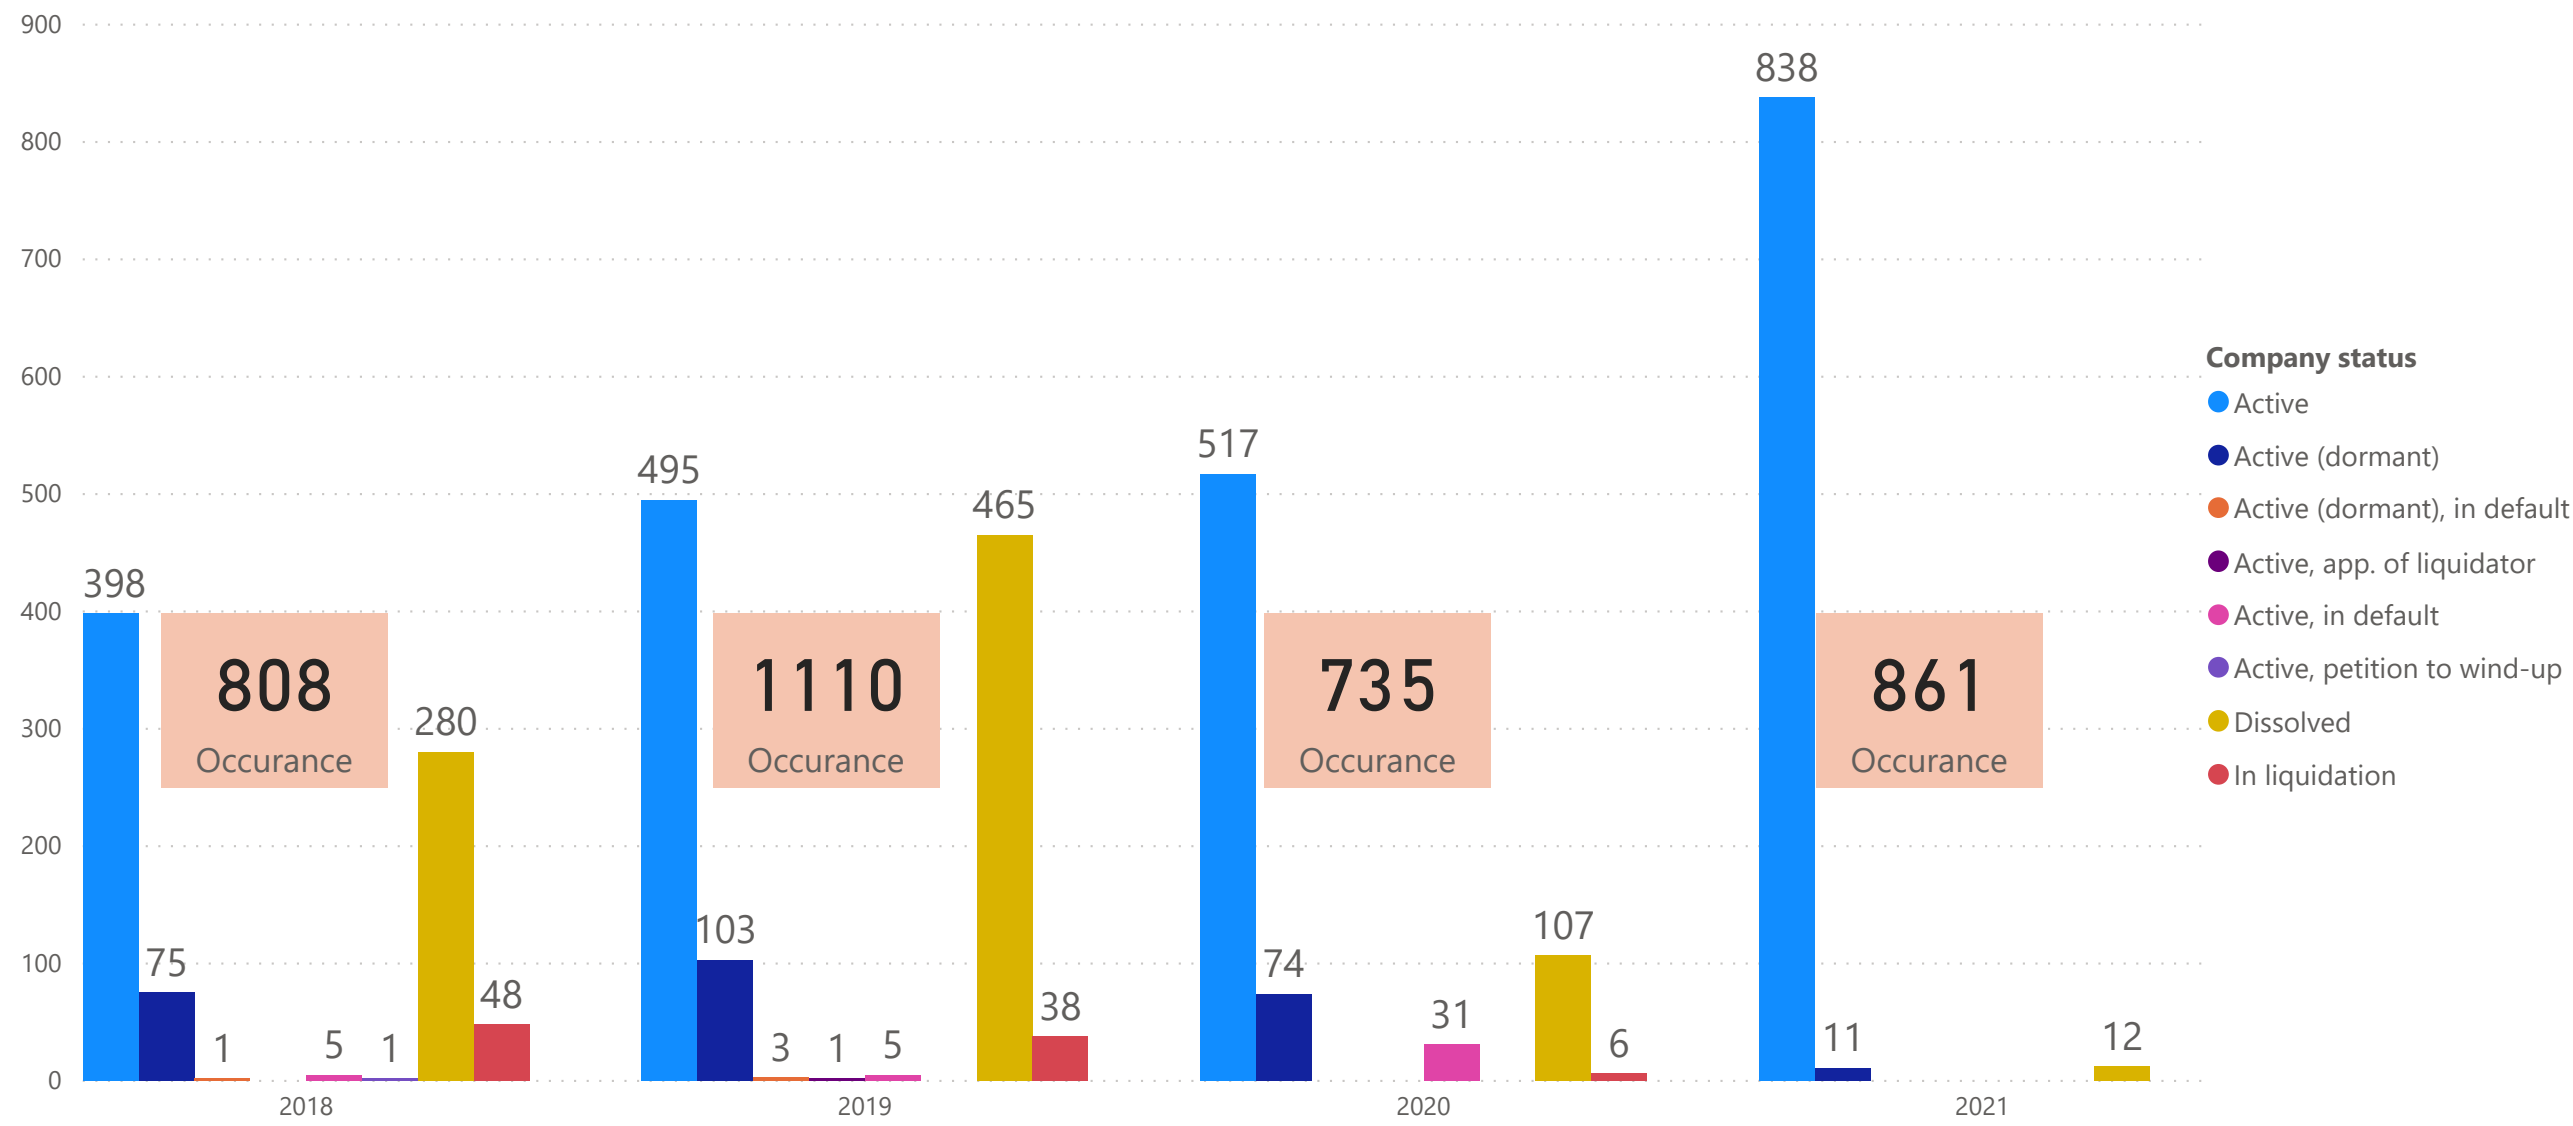

9529

Occurance

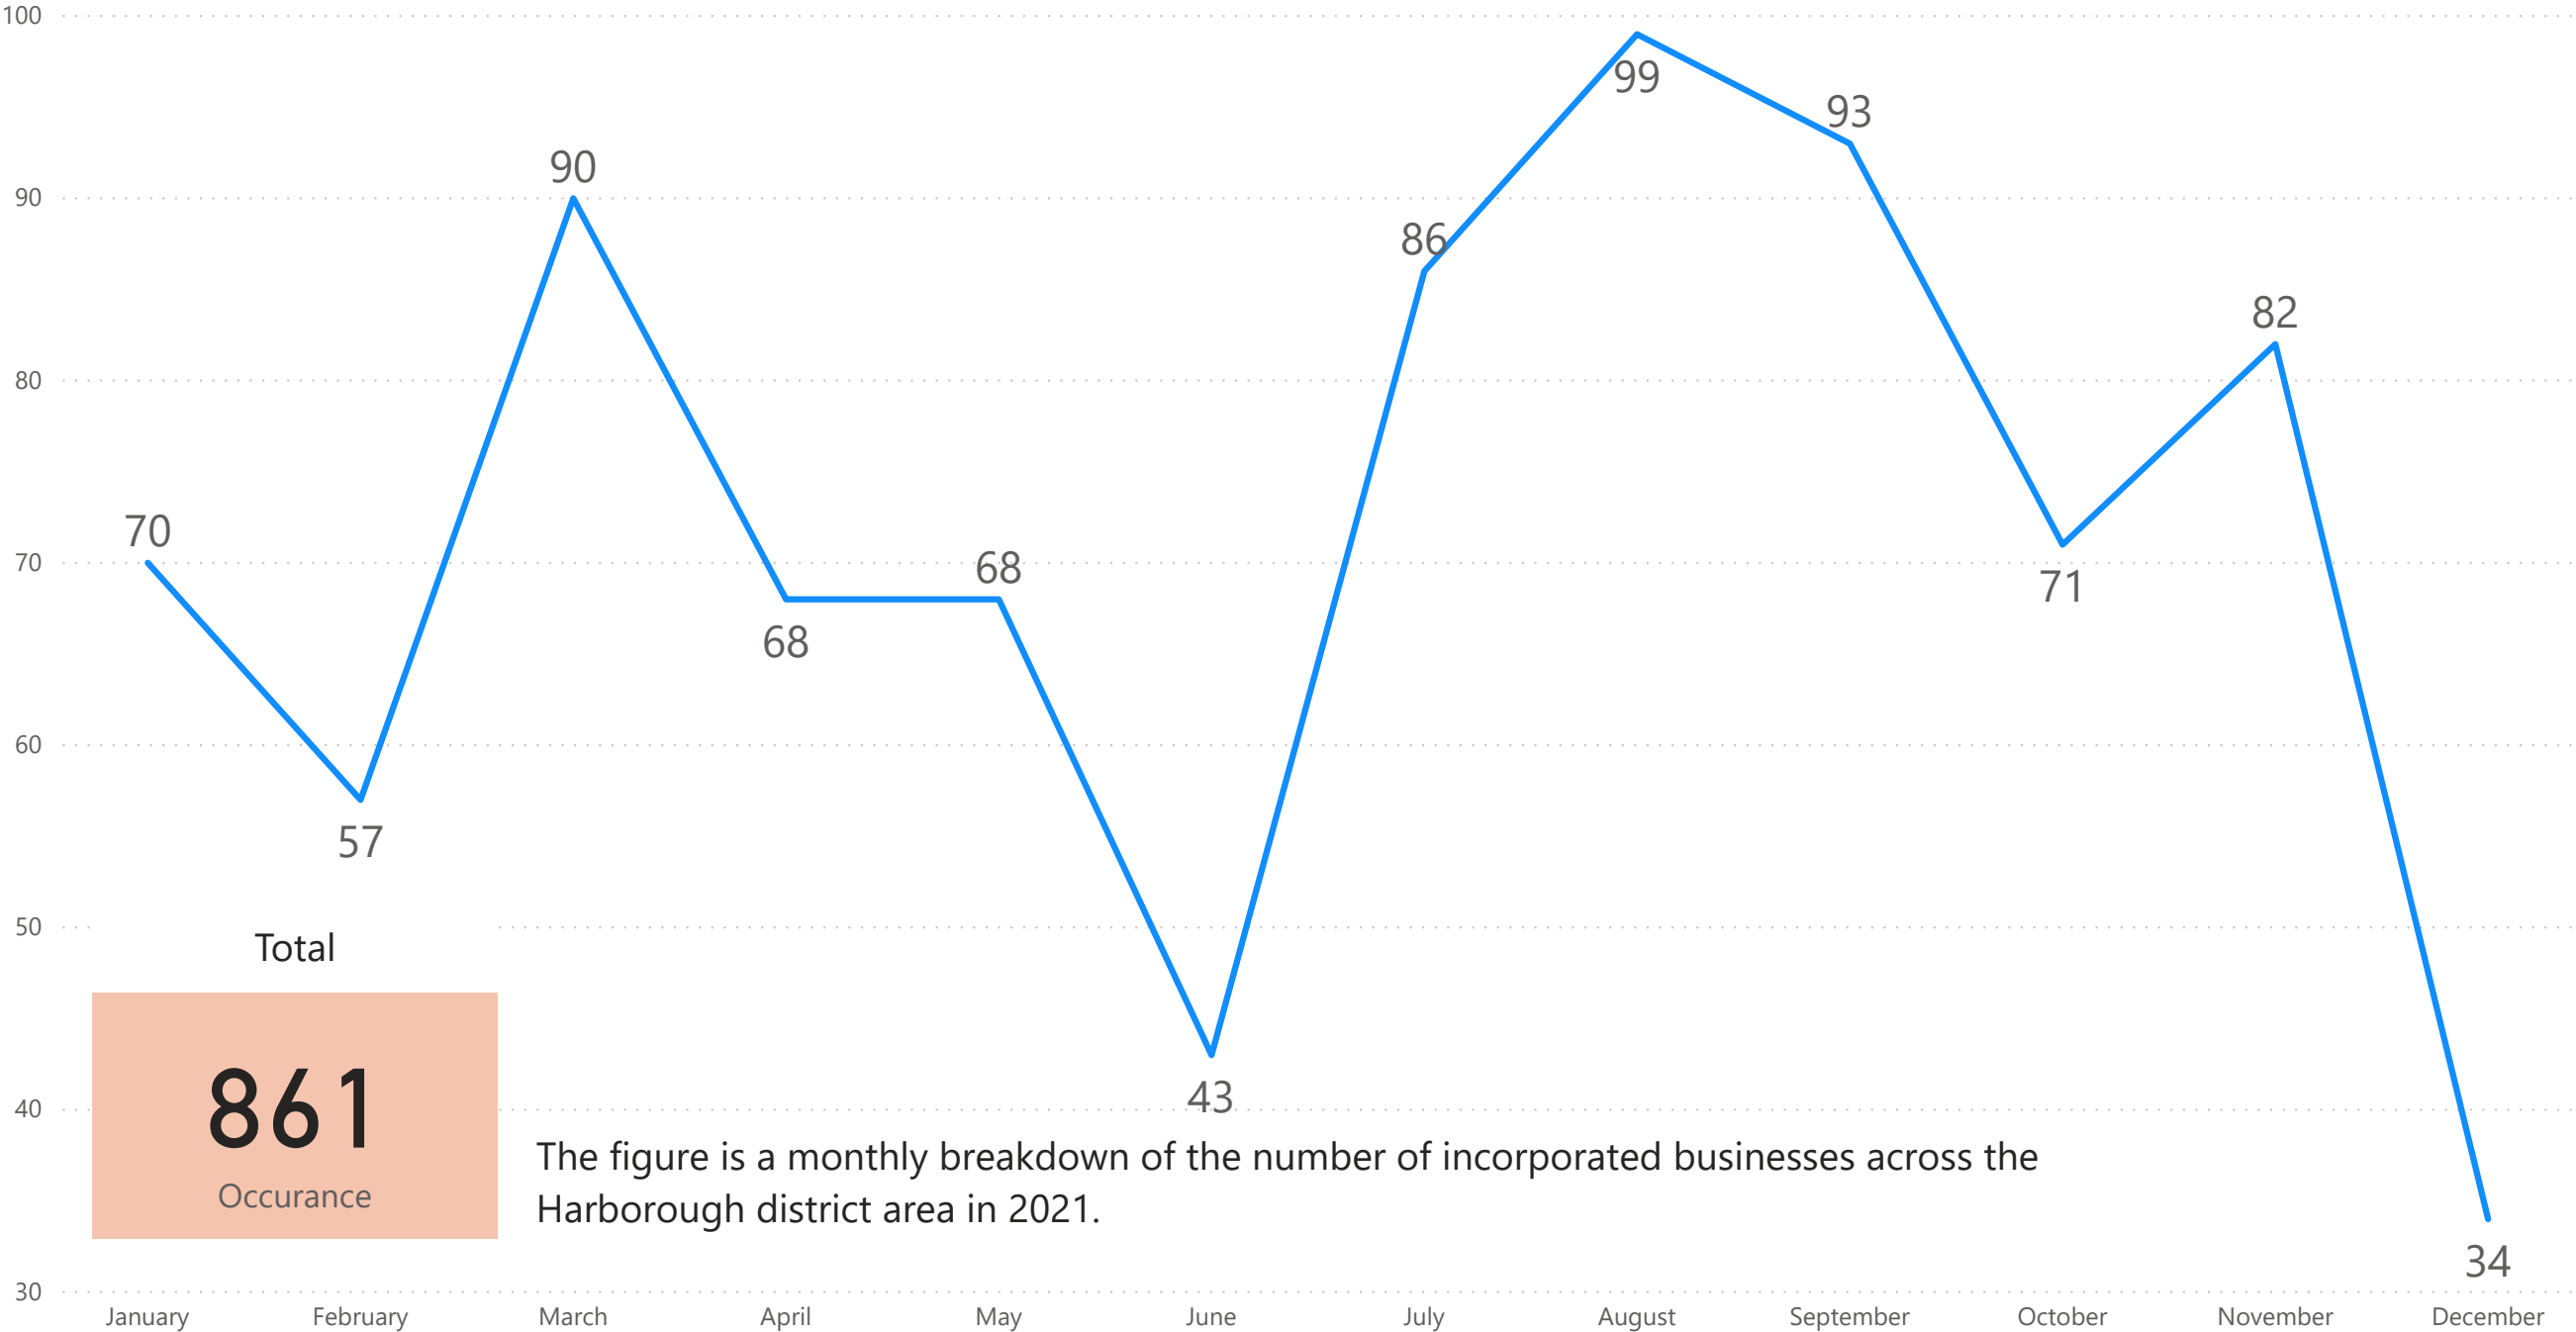

The figure demonstrates the share of businesses that were incorporated across the Leicester and Leicestershire area in 2021. Harborough's share is 9%. The share of dissolved or liquidated business was 12%.

# Incorporations - Company Status

The figure demonstrates the number of incorporations for the years 2018 to 2021. It also shows the status of those businesses that were incorporated. An example of this would be that in 2018 there were 808 incorporations of these 280 have been dissolved and 48 are in liquidation. Combined these make up 40.6% (328) of all businesses incorporated in 2018.

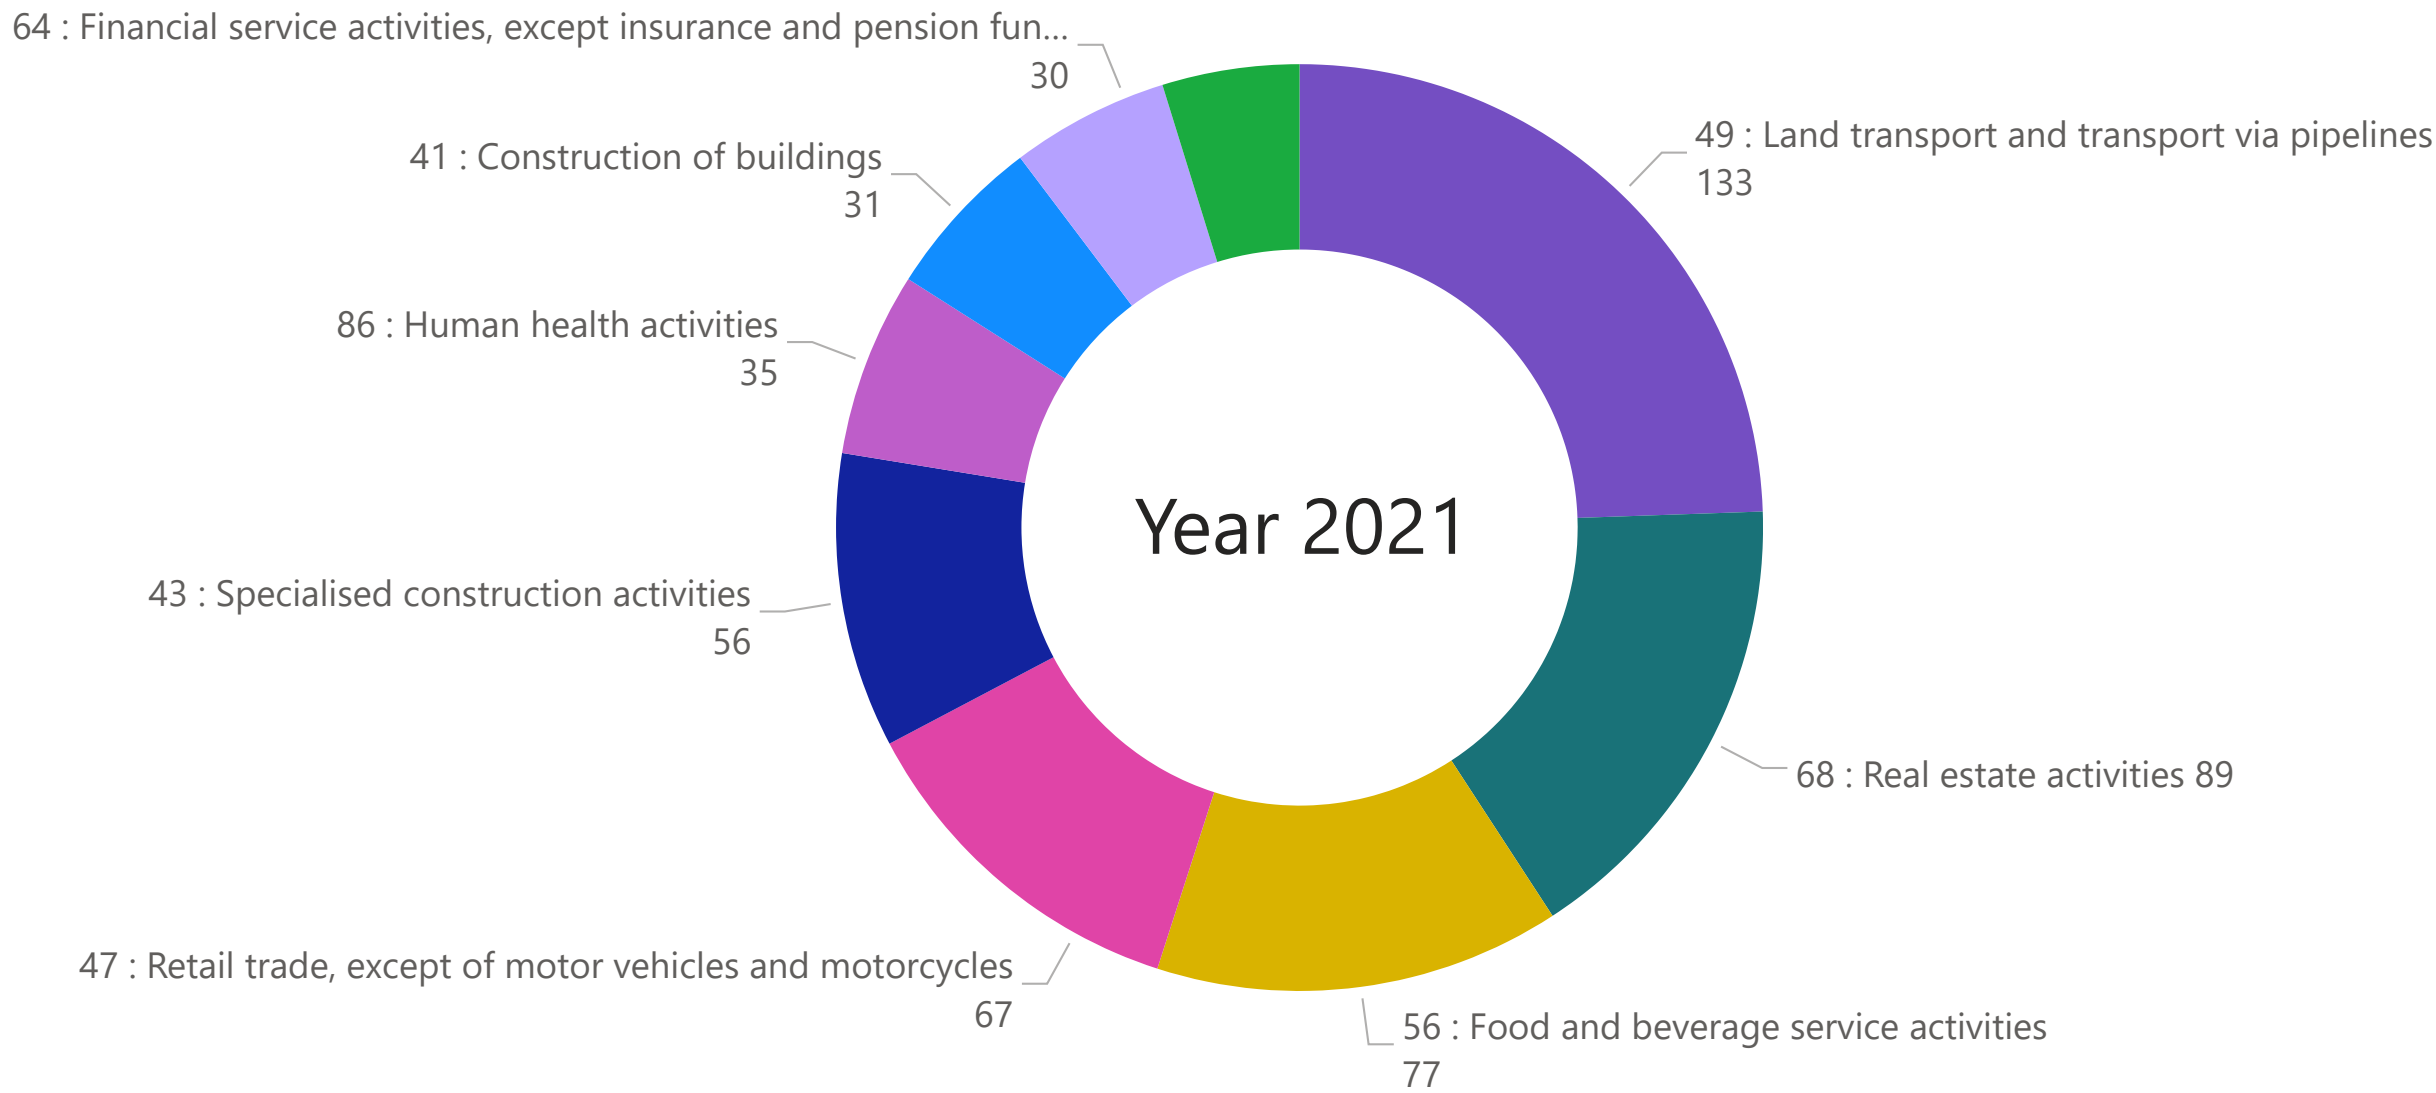

# Incorporations

# Incorporations

The figure is a breakdown of the number of incorporated businesses across the Harborough district area in 2021 by industry area. The figure contains those industries with the the largest numbers of incorporations.
