The report provides an understanding of:

- Business closures and incorporations over the period 2011 to 2021.
- Growth in closures and incorporations.
- The geographical share of closures and incorporations.
- The share of closures and incorporations by industry area.
- The status of those businesses that have been incorporated in 2018 onwards.

Note: Data is from Companies House and has been gathered via the Bureau Van Dijk Fame system (this is under license).

# Dissolved & Liquidated Businesses 2011 to 2021

# Dissolved and Businesses in Liquidation

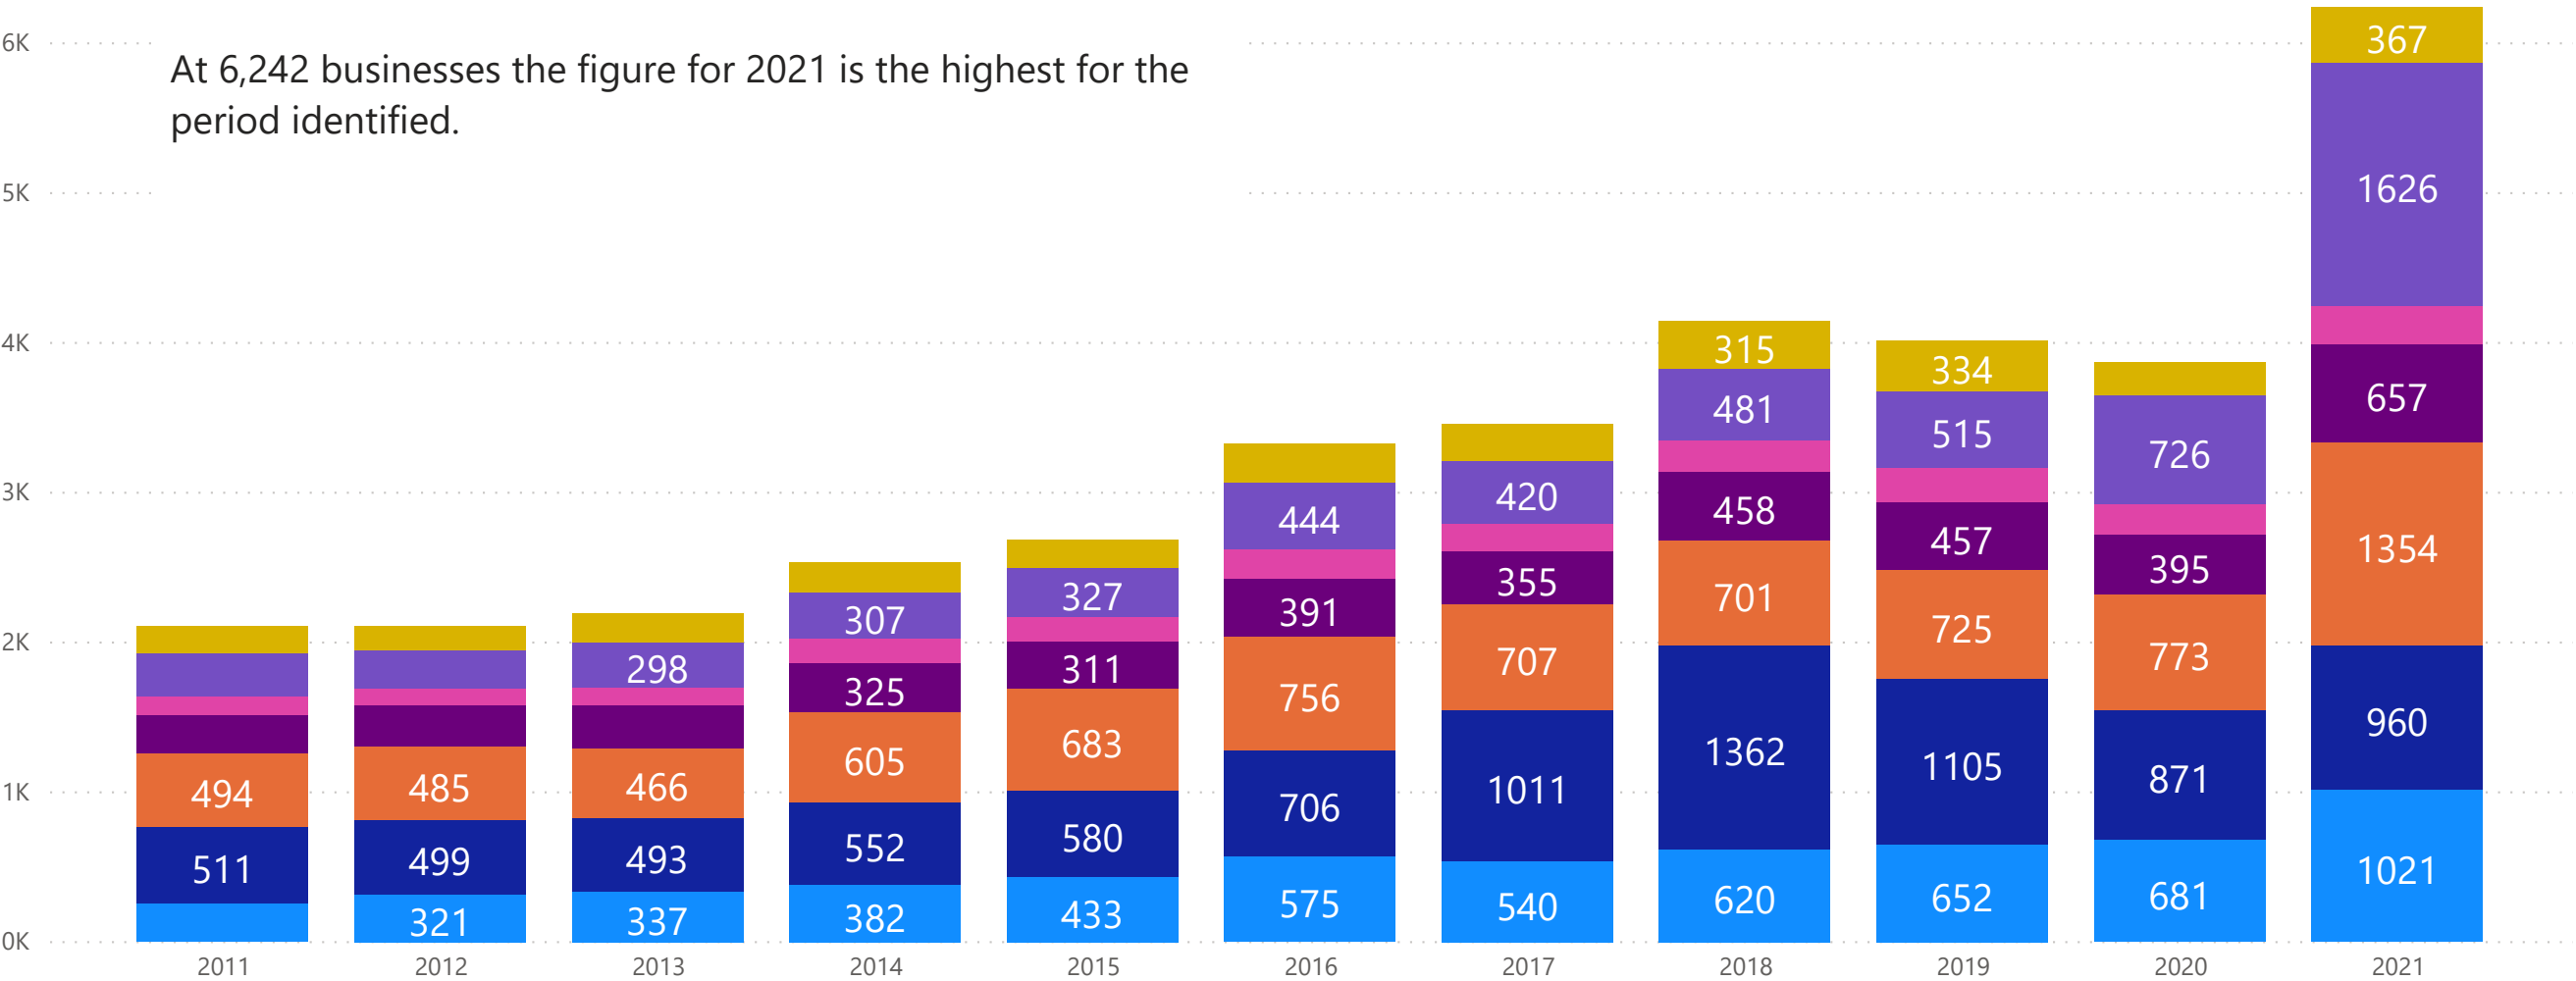

During the period 2011 to 2021 65,791 businesses were either dissolved or in liquidation. Of these 36,693 (55.8%) were in Leicestershire.

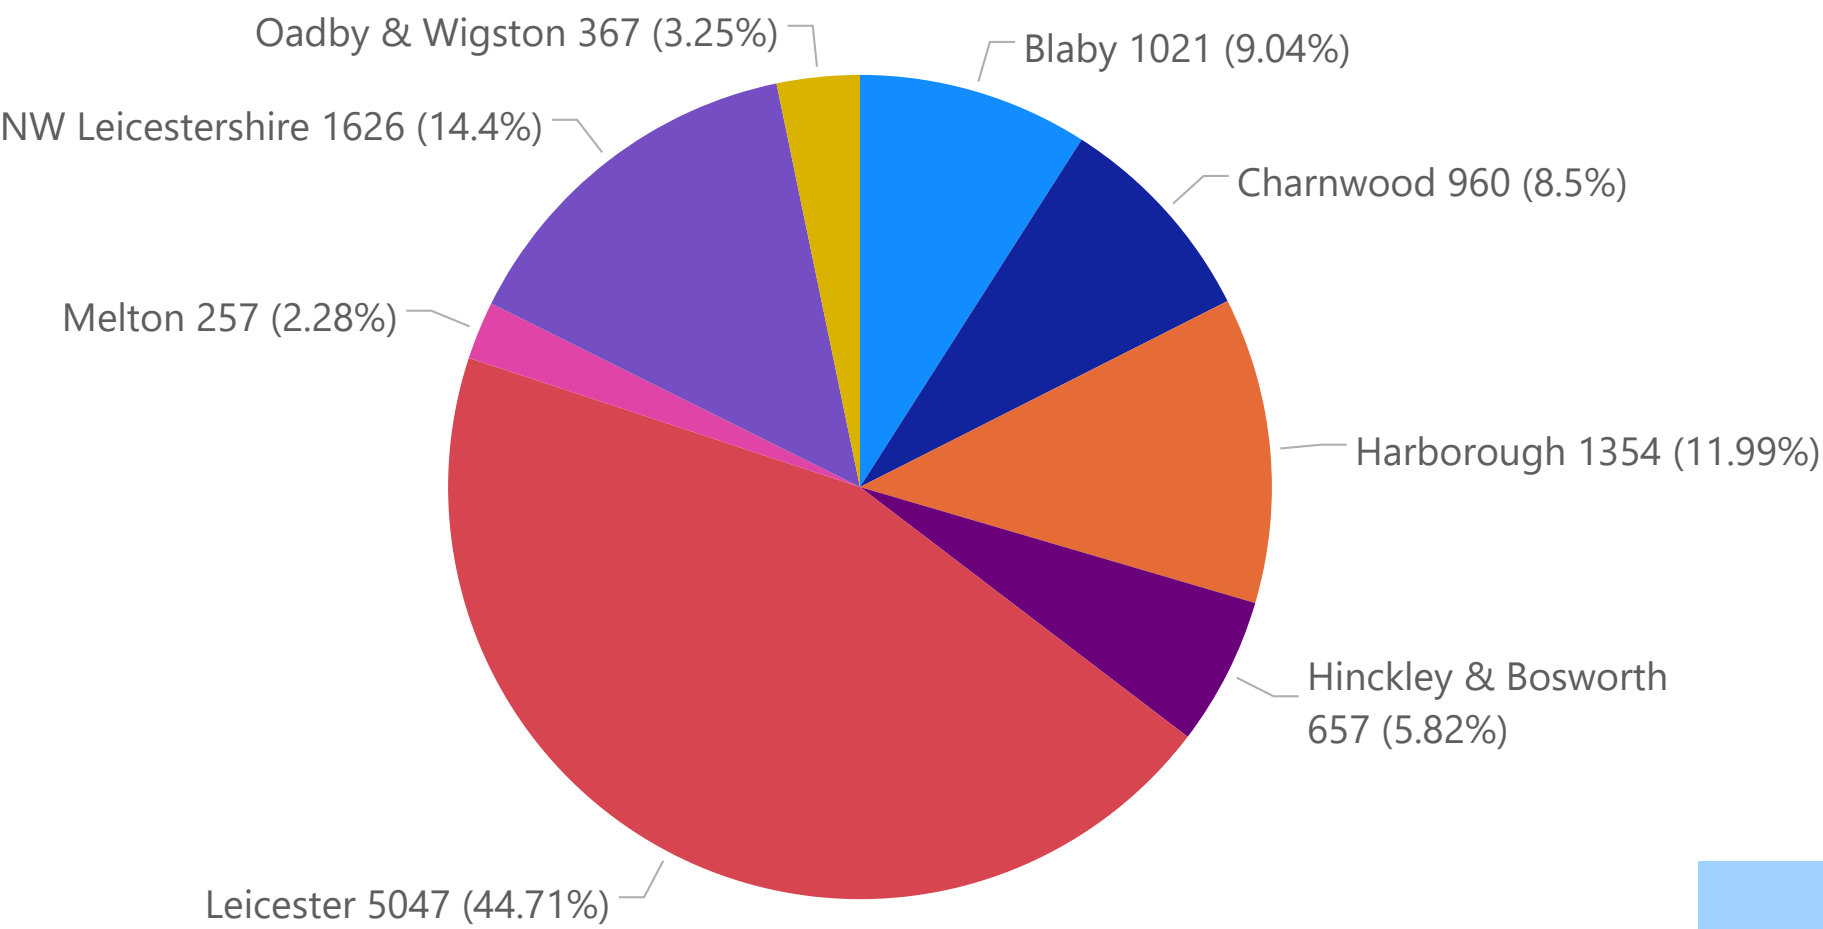

In 2021 there were 11,289 businesses that were either dissolved or in liquidation. Of these 6,242 (55.3%) were in Leicestershire. In 2019 the share was 47.5%

# Dissolved and Businesses in Liquidation

The figure below demonstrates the number of businesses that have been dissolved or are in liquidation for the years 2011 to 2021. The figure can be split into three areas. The first are the years following the financial crisis that led up to the UK's decision to leave the European Union (EU) (2011 to 2015). The second are those that led to the withdrawal of the UK from the EU (2016 to 2020). The last, 2021, is the first year that the UK has sat outside the EU. This is the year that the economy has opened up after its partial closure due to the Covid 19 pandemic. Both 2020 and 2021 saw the introduction, continuation and withdrawal of measures by the government to help businesses deal with the impact of the global pandemic.

# Dissolved and Businesses in Liquidation
