

Do you want to become a Digital Buddy?

wea.org.uk

Are you available for a few hours in the daytime each week?

The WEA are looking for volunteers to support people of working age who are unemployed or on low incomes to **develop their digital skills** over a period of **3 months** or more.

Many people are digitally excluded due to a number of language, cultural and social issues. A lack of digital skills impacts on all areas of life including accessing health care, finances and wellbeing.

As a Digital Buddy you will **guide and support** students to use digital devices and improve their basic digital skills. You will help students to get **online safely**, **encourage** them to attend **our digital courses** and **connect** with the community.

We will provide you with comprehensive **training** that will enhance your own skills. You don't need to be a technical expert but if you are **enthusiastic, patient, reliable** and would like to **make a difference**, please contact Diane Johnson on 0116 2556614 or email djohnson@wea.org.uk

Supported by

The WEA is a charity registered in England and Wales (no. 1112775) and in Scotland (no. SC039239).
