# Gatsby Benchmark 4

## Linking Curriculum Learning to Careers CPD

### About

Delivered by SDSA in partnership with the LLEP Careers Hub, this **whole school** Gatsby Benchmark 4 CPD training is an important session for all staff, highlighting the importance of their role in preparing young people for their next steps and how this links to the wider curriculum.

The main aim is to support schools in developing their understanding of how to embed careers within their curriculum areas. The session will cover:

- An introduction to careers education
- A reminder of the Gatsby Benchmarks
- Easily accessible resources
- Examples of good practice
- Departmental discussion and planning next steps

Appropriate for mainstream and SEND schools.

### Recommended duration

1-1.5 hours delivered a twilight session.

### Contact

For more details and to access support, please email [nicole.francis@sdsa.net](mailto:nicole.francis@sdsa.net)

### Future CPD Opportunities

Supporting the recruitment of Career Champions and developing their role.

Developing employability skills across the curriculum.

Embedding careers in the curriculum for ITT students.  
*(Please note this is not funded by the LLEP)*
